Thank you for being the best pre-school that we could wish for our children,. We will miss coming here. Keep doing what you're doing!

This is one of the best pre-school's in the area, the children love coming and the staff make a huge effort the change the play everyday in the hall, which I love and so does my child. It keeps the children stimulated. The play is amazing and they're always learning letters, colours and numbers.

Keep up your hard work!

It's a big setting and allows the children to have space and a variety of activities. Staff are always friendly and approachable.

It's a creative setting and ideas to provide the children with such a wonderful place to be a child.

The staff make the setting exceptional. The fact that there is minimum/ no staff changes is a clear testament to the great management as well as a great atmosphere, the staff enjoy their work.

Playwell is such a kind, loving, professional and understanding setting.

You are practically perfect in every way.

I'm very happy to be part of your big family.

We've felt tremendously well-supported by the staff at Playwell and have seen their gentle efforts manifested in the growing confidence of our daughter. It's by far the best pre-school setting we've experienced.

So pleased that my children have attended here. It has been a wonderful start to their education and has given them a great foundation upon which to build.

I think that Playwell is a lovely pre-school. We are enjoying every moment of our experience and time here – wish we could stay longer!

Playwell has an incredibly welcoming environment as soon as the door is opened in the morning. All the staff know about different children's needs which makes every individual feel special.

We have been completely happy with every aspect of Playwell since my son joined and he has been made to feel so welcome and special. The care that was offered to him when he first started was exceptional and Julie and the team went out of their way to find activities to quickly settle him. Thank you for all your hard work- it's a fantastic setting!
